Hey,

I'm just following up on this request. We still don't seem to have access to the API restored. Any help in this regard would be appreciated!

Best Regards,  
Karthik

Hello Gunter,

Hope you're doing well. We haven't been able to access the "daily" API builds over the last few weeks. I was hoping you could help me resolve this issue so I can continue providing updates for outbreak.info? Thank you!

Best Regards,  
Karthik
